

## Calendar Analysis Sunday, April 28 to Friday, May 3

### In Focus: (Announcement Order)

- EUR** Spanish Elections – preliminary results midafternoon EDT Sunday! Most scenarios “Positive”?  
Comments suggest effect may not be instant but will be with time?  
Brexit talks continue?  
Weaker ECD and Global Growth may affect EUR?  
Thursday Watch EUR News – Is downturn continuing? German Retail Sales forecast less -0.5%  
German, Spanish, French & Italian news will be tell all?  
Friday CPI may tell on EUR?  
EURNZD        Opens 70 pips below WP – correction to WP?
- GBP**    Monday BOE Carney – not interested in GBP as yet!  
Thursday Red Announcements!!
- JPY**    **Long Holiday scene with most Brokers suggesting real caution. Will not Trade JPY Pairs.**
- NZD**    **Monday ANZ Business Confidence – Will strength continue?**  
**Are any thoughts of Rate Change off the table due to last week’s data?**  
**Tuesday Employment Change/Unemployment – Forecast improvement!**  
EURNZD        Will down trend continue? Opens 70 pips below WP! Correction to WP?
- CNY**    **Monday PMI**  
**Wednesday Caixin PMI**
- AUD**    Wednesday: Although Yellow News watch HIA New Home Sales – Will market depress further?  
**Thursday Building Approvals – will the decline continue? Yes according to forecast!!**  
AUDNZD        Opens 45 pips below WP “Correction to WP?”
- USD**    Will USD strength continue Monday? China-US Trade Deal on the cards??  
**Wednesday FOMC Meeting – Very important** – see Kathy Lien Report Investing.com  
**Rate change may be off the Agenda due to Friday’s GDP Report 3-2% vs Forecast 2.3%.**  
Powell: “..it’s a great time for the Fed to be patient, to watch and wait.”  
**US-China Trade Talks may be finalized?**  
Pres. Xi last week implied that many US demands are likely to be met? Deal close?  
This if announced will be a mover for USD & Commodity Pairs especially AUD, NZD and CAD?  
**Friday NFP etc....!**  
FOMC Members speak from 10.15am through to 7.45pm.  
Why? Good US News from NFP etc.?? Or not so good???
- CAD**    **Wednesday BOC Poloz speaks**

Monday through early Wednesday am, favor again commodity Pairs, NZD, AUD, CAD and USD  
Most likely exit all trades before 10.00am EDT??? Not likely to trade till the next week!  
AUD & NZD Rate decisions next week (5/06 & 5/07)  
No to JPY Pairs.  
Will EURNZD correct then down again?  
Watch AUDNZD now a favorite!  
Watch WTI Crude – Daily Price Action – Will 60.30 hold or break above 60.30-50??
