

Registration

To signify your interest by registering for this product, simply follow the instructions below:

1. Send an email to ajantala@gmail.com with the message title as “**Registration for DMS**”. You can include a simple message stating your interest in the product or you can as well leave it blank.
2. You will receive an email within 24hrs with a registration form you should fill and email back to me.
3. Once received I will send you the Paypal account details where you would be expected to transfer the full payment for the services i.e. **\$999.99** within 3 days of receiving the details (Unfortunately I will not be receiving payments any other way). Once payment is received from a member then necessary communication would begin for that member but once up to 5 no more slots would be available until the next session (next year).
